No.B3-58-GFL-501/62-63 E. Records. Chief Conservator's Office, Bangalore, dated 18 8-1962.

To

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

Sub:-Grant of Forest land for Math in Hulyal out of S.No.48 of Jamkhandi.

I enclose a copy of letter No.FOP/GFL/BGK/103-6 dated 25-7-1962 from the Conservator of Forests, Belgaum Circle, along with the connected records on the above subject for perusal.

An area of 1 acre 11 guntas 80 yards in F.S.No. 48 of Hulyal has been occupied by the Math of Sri Shambuling Swamiji. This grant is reported to have been made during State Regime (Jamkhandi) i.e., prior to 1948 and the assessment over this area is being paid by 'Math' to the Revenue Department. Since the Math is in occupation of the land from a long time and has constructed buildings in the area, there is no objection to disforest the area and to assign the same permanently in favour of the Math.

Orders of Government may be issued early for taking further action.

The connected records may please be returned when done with.

Yours faithfully,

V. S. [illegible]

Office of the
Conservator of Forests
Belgaum Circle.

Belgaum: 25 July, 1962.

To

The Chief Conservator of Forests,
in Mysore, Bangalore.

Sir,

Subject: Grant of forest land for Math in Hulyal out of F.S.No.48 of Jamkhandi.

In submitting the case papers together with the Divisional Forest Officer, Ghataprabha Division, Gokak's No.FOP/GFL/1-1-4 of 20/21-7-1962, I have to state as under:

On going through the correspondence it is seen that actually an area of 1- 1- 6-11-80 Sq.yds. out of F.S. No.48 of Hulyal has been occupied by Math of Shri Shambuling Swamiji. This was, it appears, granted to the Math during State Regime i.e. prior to 1948 and the N.A. assessment of Rs.2.00 was paid by "Math" to the Revenue Department since then.

It is now noticed that the math stands in F.S.No. 48 of Jamkhandi since long and the matter needs to be regularised after granting the area of 1 acre 11 gunthas 80 Sq.yds. actually occupied by the Math after disforestment. Government may therefore kindly be moved in the matter for needful further action.

Yours faithfully,

D. Nanjundappa

Below the Range Forest Officer, Jamkhandi's No. 349 of 11th July 1962.

Subject :- Grant of forest land for math in Hulyal out of F.S.No. 48 of Jamkhandi.

No.FOP/GFL/1/1/4 of 1962.63.
Gokak the 20th July 1962.

Submitted to the Conservator of Forests, Belgaum Circle, Belgaum with reference to his No.FOP/GFL/RGK/103/6 dated 26.2.62.

2. Actual area required for the math is only 1 acre, 11 gunathas and 80 sqr. yards as shown in the accompanying sketch. The "Vedmuktyar" or the Swamiji does not require any more area adjoining the said plot in which the math building is existing and is already occupied by him. However, this piece of excess area was recommended by the Range Forest Officer, with a view to avoid awkward boundary of the forest as per Govt. policy.

The Swamiji is not willing to give in writing his say, for recovery of any assessment as he contends that former Darbar had given him the area as free gift before it was incorporated in Reserve Forest.

For the reasons stated above, the actual area of 1 acre 11 gunathas and 80 sqr. yards which is at present under his possession may be disforested and handed over to the Revenue Department so that they may decide the matter of assessment or otherwise on merit of the case.

given him the area as Tree Gift before it was incorporated in

For the reasons stated above, the actual area of 1 acre 11

may be diforested and handed over to the Revenue Department so
that they may decide the matter of assessment or otherwise on merit
of the case.
